**Notes**

- Where provision is delivered in workplace, eg Apprenticeships, there is an assumption that employer contributes 50% of costs.
- Areas highlighted in **red** are a change from 2010/11
- Areas highlighted in **yellow** are likely to change in 2012/13

Please note, the table does not reflect the changes to funding eligibility expected in 2013/14, as a result of loans, as this is subject to further consultation. However, it is likely that **all Level 3 and above provision, including Apprenticeships, for those aged 24+** will be funded through loans.
